Hand-harvested from Heather Laundry's Lincoln Lakeshore vineyard in Beamsville. After sorting, we used 50-60% whole clusters, then de-stemmed grapes were gravity fed on top of the clusters. Fermentation used wild yeast and malolactic occurred simultaneously. After settling, the wine was aged in French Oak barrels - 12% new wood for 10 months.

Alcohol:	12.5%
Titrateable Acidity:	7.8 g/L
pH:	3.6
Residual Sugar:	< 3 g/L

## TASTING NOTES

Through careful cropping and cluster selection, we have delivered a Pinot full of bright red fruit and refreshing acidity. Medium-bodied with ripe raspberries and cherry on the nose, accompanied by complex earthiness. This is a textbook example of Niagara Pinot Noir.
