### **IN THE WINERY:**

These Chardonnay Musque grapes were harvested targeting fresh aromas and flavours with bright acidity. After stemming and light crushing, free-run juice was decanted and then fermented with wild yeast. No pressed juice was used in order keep flavours light and pure. The fermentation started wild in tank and finished in bottle with delicate effervescence. No additives were used. It's quite dry and was bottled with lees, so is soft on the palette with a refreshing finish.
