

## 2021 Triomphe Cabernet Franc Rosé

### CERTIFICATION:

Certified Organic by EcoCert. Suitable for vegans and vegetarians.

### IN THE VINEYARD:

Varieties : Cabernet Franc  
Appellation: VQA Niagara Peninsula  
Harvested: October, 2021  
Brix at harvest: 19.3°

### IN THE WINERY:

Grapes were harvested and loaded directly into the press. Cold juice settling and racking was followed by inoculation with non-aroma enhancing organic yeast and a cool fermentation that spanned four weeks. Fermentation was halted early to leave a slight residual sugar to balance acidity and alcohol. Bentonite clay fining was used prior to sterile filtration and bottling.

Alcohol: 11.8%  
Residual Sugar: 7 g/l  
TA 5.0 g/l  
pH 3.40  
Bottled: March 9, 2022  
Closure: Screwcap  
Cases Produced: 893

### IN THE GLASS:

A medium-pink wine that has a delightful and summery nose of strawberries, cherry, apples and fresh citrus. On the palate: more apple, sour cherry, dried herbs, and a fresh acidity leads to a medium-long finish with a cleansing freshness. Enjoy with light summer fare - salads, grilled fish and poultry.
